

QUEENSLAND SMALL BUSINESS WEEK 2017

15-20 MAY

AN INITIATIVE OF THE QUEENSLAND GOVERNMENT

Small Business Defence Networking AIDN - Queensland

Event details

The Australian Industry & Defence Network (AIDN) is the peak industry association for small-to-medium enterprises (SMEs) wishing to do business in the defence and security sectors. Established in 1995, AIDN represents the interests of Australian SMEs in the defence and security industry sectors by advocacy, representation and member services

In recognition of Small Business Week, AIDN-Qld will conduct an open Networking event featuring presentations by the Centre for Defence Industry Capability (CDIC), Defence Industry Queensland (DIQ) and Boeing Defence Australia (BDA).

The host Integra Packaging will also provide a company capability overview and a facility tour.
