

Mission, Vision and Values

KTA is committed to becoming an industry-leading Registered Training Organisation (RTO), poised for significant growth over the next two years.

Our vision is clear: to transform learners' aspirations into reality.

We are guided by our values;

- *Student Centric*: personalised support beyond certificates, guiding each learner to professional and personal success.
- *Innovation*: Embracing innovation in operations and teaching methods for a tailored, diverse learning experience.
- *Quality*: Committed to the highest standards, continually improving based on feedback.
- *Diversity and Inclusion*: Fostering a supportive learning environment for all backgrounds and cultures.
- *Industry Relevance*: Analysing industry currency to meet real-time industry needs.

The Klepper Advantage

As a product-differentiated and student-centric RTO, we provide high-quality training materials and environments, going beyond certification to empower our learners. Our success is measured in the transformative impact on our students' lives - be it career progression, entrepreneurship, industry transitions, or personal reinvention.

Our Recent Focus

Partnering with one of Australia's largest outdoor educators, we provide training and support in Wilderness First Aid and a bespoke Certificate IV in Outdoor Leadership.

Supporting the Indigenous Development and Employment Program (IDEP) with the delivery of DIP and AD DIP in Business and Leadership courses.

Appointed to analyse, design and develop a bespoke training package focusing on the tourism sector to increase knowledge and skill gaps and fill critical workforce shortages.

Working with our sister company to provide training lifecycle services (SADL) to the Australian Department of Defence, Australian Government and Defence Industry Clients.

Supporting the first of its kind rollout of accredited training in composites manufacturing to be made widely available in Australia.
