# CALL FOR APPLICATIONS

Applications are now open to Australian defence companies interested in participating in the Team Defence Australia trade mission to the

## International Defence Exhibition and Conference (IDEX 2015)

Abu Dhabi, United Arab Emirates  
22 – 26 February 2015

**PLEASE NOTE:** Participating in the Team Defence Australia trade mission is free of charge however companies are responsible for travel and freight costs.

### Export opportunities for Australian defence industry

The current capability requirements of the UAE include:

- Border protection capabilities including radar and sonar
- Surveillance systems, support and training
- Electronic warfare systems and software
- Systems integration
- Communication systems and antenna equipment
- Radio frequency simulators, amplifiers and high power modules
- Soldier support equipment, including body armour
- Simulation services and electronic warfare processors
- Modelling, Simulation and Training Software Solutions
- Armoured vehicles and armour solutions
- Maintenance and support solutions for defence systems and platforms

Companies with the above products and/or services are particularly encouraged to apply.

Applications must be submitted by close of business on **10 October 2014** to be considered.

Companies interested in participating will need to agree to **DMO Terms and Conditions**. Application forms and Terms and Conditions are available on the Team Defence Australia website [www.defence.gov.au/TeamAustralia/Events.htm](http://www.defence.gov.au/TeamAustralia/Events.htm).
