PRODUCT

Precision Aviation Group (PAG) is a leading provider of products and value-added services to the aerospace and defense industries worldwide. With 20 Repair Stations, and over 850,000-square-feet of sales and service facilities in the United States, Canada, Australia, Singapore, and Brazil – PAG’s 23 locations and customer-focused business model serve aviation operators through Supply Chain and Inventory Supported Maintenance, Repair and Overhaul (ISMRO®) services.

CAPABILITIES

PAG provides MRO and Supply Chain Solutions for Fixed- and Rotor-wing aircraft. PAG has MRO and manufacturing capabilities in four MRO segments – Avionics, Components, Engines, and Manufacturing/DER Services. PAG is dedicated to keeping mission critical, business, military, and defense operators in the air (www.precisionaviationgroup.com).
