

PRODUCT

We will promote Queensland's industry capability to national and international Defence markets by showcasing:

- The best of what we do in commercial aviation and how we apply it to military and government customers, through
- Engineering, Modifications, Repairs, Overhauls and Aviation Services, at our
- 16 Defence locations across the globe, showcasing Queensland's Defence capability within target markets including Singapore, Malaysia, New Zealand, Europe, UK and the Middle East.

CAPABILITIES

From one hangar in Basel, Switzerland, to some 50 locations worldwide. Maintenance to management, completion to charter; countless hours of expertise creating an experience so easy, it seems effortless.

Behind this experience, are our people. 4,000 artisans of aviation. Whether in the air, or on the ground, arriving or departing, underneath every journey are hundreds of hands, dedicated to the details. We started as a family business, and throughout our growth we have maintained our commitment to this personalized service

DISCRIMINATORS

- Experience and Expertise – Our breadth and depth of professional services allows adaptability to best meet customer requirements.
- All-in-one Solution – we offer all capabilities in-house and on-site.
- Platform agnostic – for manned, fixed wing aircraft. We also have approvals to work on almost all commercial-off-the-shelf GA/BA aircraft models in the market.
