

Products/ Services:

- COMBAT SYSTEMS
- WEAPON SYSTEMS/WEAPONS
- ROCKETS AND SPACE SYSTEMS
- RAPID PROTOTYPING
- ENGINEERING SERVICES
- AUTOMATION/ ROBOTICS
- EDUCATION & TRAINING

High Quality Defence and Aerospace Services

Capabilities:

- Composite materials
- 3D printing
- Stainless steel
- Heavy Steel Fabrication
- CNC Machining
- Painting

Engineering:

- Robotics, Automation and PLC systems engineers
- Electrical engineers
- Mechanical engineers
- Mechatronic engineers

Discriminators:

- WORLD FIRST CAPABILITY**
- RELIABILITY**
- LONG SHELF LIFE**
- TRANSPORTABILITY**
- COST EFFECTIVE**
- SCALABLE**

Key Customers:

Partners:

Certificates

ISO:9606 Global Welding Quality Certification

In process:

AS9100 Aerospace Quality Management System (Grant funded)
DISP Membership (Defence Industry Security Program).

ISO 9001 CERTIFIED QUALITY MANAGEMENT
ISO 14001 CERTIFIED ENVIRONMENTAL MANAGEMENT
ISO 45001 CERTIFIED SAFETY MANAGEMENT
