

JET AVIATION

PRODUCT

Since 1967, Jet Aviation has been crafting flight in its smoothest form. From one hangar in Basel, Switzerland, to some 50 locations worldwide. Maintenance to management, completion to charter; countless hours of expertise creating an experience so easy, it seems effortless.

Behind this experience, are our people. 4,000 artisans of aviation. Whether in the air, or on the ground, arriving or departing, underneath every journey are hundreds of hands, dedicated to the details. We started as a family business, and throughout our growth we have maintained our commitment to this personalized service.

CAPABILITIES

We keep your aircraft in the air – where it belongs. Maintenance services for Fixed Wing and Rotary Wing. After Market and AOG. Refurbishment and Upgrade. Multiple locations across the globe, servicing government, business, and private aircraft.

In Queensland, we offer Engineering, Modifications, Repairs, Overhauls and Aviation services at our Cairns Facility. We also provide Heavy Maintenance support for Regional Airline Operators.

Global Maintenance services:

- Fixed Wing
- Rotary Wing
- Aircraft Management
- Defence
- AOG
- After Market
- Pre-Purchase Inspections
- Refurbishment, Modification & Upgrade
- Advanced Manufacturing

DIFFERENTIATORS

- Experience and Expertise – Our breadth and depth of professional services allow adaptability to best meet customer requirements.
- All-in-one Solution – we offer all capabilities in-house and on-site.
- Platform agnostic – for manned, fixed wing aircraft. We also have approvals to work on almost all commercial-off-the-shelf General Aviation and Business Aviation aircraft models in the market.
